The Bits ‘n’ Bytes Club organized its 30th Annual Inter-School Tech Symposium, witnessing the participation of over 1000 students from 50 schools of the National Capital Region.

The tagline of Access 2019 #include, was meant to promote the participation of girls in the technology circuit.

The event commenced with an opening address by Dr Vishal Talvar, Dean of Management- BM University, followed by an interactive session about the world of startups by Mr Vivek Kapoor, a Modernite and an entrepreneur.

The event comprised brilliant display of skills in all realms of technology, from Programming to Digital Imaging, Web Design to 3D Modeling, Robotics, Quiz, Crossword, Group Discussion, Audio/Video Editing, Game Design, Story Writing, and Hardware.

The judges were honoured with a token of appreciation for their guidance to the participants followed by a speech by the former President of the Bits ‘n’ Bytes Club Akshat Singhal. During the closing ceremony prizes were given to the top performers: DPS emerged as the Winner and DPS Noida the Runner Up. The Best Performer Trophy was jointly won by Pranav Dhar and Chirag Bhansali of DPS Noida.

The event was organized by the students of the Bits ‘n’ Bytes Club under the able guidance of our Principal Dr. Vijay Datta, Mr Gautam Sarkar and Ms Divya Sahdev.
