General Guidelines:

1. **All the participating schools MUST send accompanying teacher(s) both the days along with the student participants.**
2. It should be made sure that participants **DO NOT** register for events that may possibly clash.
3. The schools must send one of their representatives during the registration time to register for the events.
4. Judges' decisions are final in all events.
5. Rules are subject to change.
6. Please visit our site for any such changes.

Open* : Any number of team can participate.

Please Note:

Software/Installation/Presentation CD/DVD for the Software Display Event must be submitted along with the Well Formatted hardcopy of the Source Code and User Manual on the first day, Friday, 23rd December 2011 at the time of Preliminary Round of the Event.
