1. Chief Guest, Sardar Taranjit Singh Sandhu, Lieutenant Governor of Delhi,

2. Ma'am Mira Pradeep Singh, President, Board of Trustees; Modern Schools,

3. Ma'am Ambika Pant, Secretary, Board of Trustees; Modern Schools,

4. Mr Aditya Gupta, Treasurer, Board of Trustees, Modern Schools,

5. Justice Mukul Mudgal, Chairman, Managing Committee; Modern School, Barakhamba Road and Member, Board of Trustees, Modern Schools

6. Esteemed Members of the Board of Trustees and School Managing Committee

6. Distinguished Guests,

7. Ladies and Gentlemen,

8. and my dear students…

It's a joy and a privilege to welcome you all to the 106th Founder's Day Celebration of the School.

It is this time of the year, when we gather to salute the visionary zeal of Lala Raghubir Singh, who in the year 1920 laid the foundation of Modern School. He dreamt of an institution that was a perfect combination of modern education and Indian ethos. Lala Ji's journey to realize his dream was galvanized by, not only his father, but also other great men like Gandhi Ji, C.F. Andrews, Rabindra Nath Tagore and many more. The vision of the dream took place in a haveli at Darya Ganj and found its wings at the present campus at Barakhamba Road, with the help of many profound men, notable among them being Sir Sobha Singh.

The dream Lalaji saw, over a century ago, has constructively grown into a successful reality. This institution has been fortunate to have at its helm, inspiring men and women who realized the dream of Lalaji and helped him carry his vision forward.

Founder's Day is an event which is looked forward to, by everyone all the year round. The spirits are high and there is thrill in the air. Everyone makes every effort to put the best foot forward on the occasion. The vibrant energy on the campus preceding the day makes my heart swell with pride. And thus, this day is a perfect occasion to commemorate all the exceptional achievements of the School and of our students during the year gone by.

A distinguished and an eminent personality like our Chief Guest hardly requires any introduction, nonetheless, I would do the honours.

Our eminent Chief Guest this evening, Sardar Taranjit Singh Sandhu, Lieutenant Governor of Delhi, is a distinguished former Indian diplomat whose career spans nearly four decades of service in the Indian Foreign Service, which he joined in 1988. Over the course of his diplomatic career, he has held several significant assignments across diverse geopolitical regions. He played a pivotal role in establishing the Indian Embassy in Ukraine, where he headed the Political and Administration Wing, and subsequently served in key diplomatic positions in Germany and the United States, including as First Secretary and Deputy Chief of Mission at the Embassy of India in Washington, D.C., and Consul General of India in Frankfurt. From 2017 to 2020, he served as India's High Commissioner to Sri Lanka, before being appointed Ambassador of India to the United States, a position he held from February 2020 to January 2024. During his tenure in Washington, he worked to advance bilateral cooperation across strategic, economic, technological and diplomatic spheres, further strengthening the multifaceted partnership between the two nations.

An alumnus of St. Stephen's College, Delhi, and Jawaharlal Nehru University, Shri Sandhu brings to public life a wealth of international experience, a nuanced understanding of global affairs and extensive expertise in diplomacy and international engagement. His appointment as the 23rd Lieutenant Governor of the National Capital, on 11 March

2026, marks a new chapter in his distinguished career of public service. His transition from international diplomacy to the administration of the national capital brings to this important constitutional office a wealth of experience in institution-building, strategic engagement and navigating complex administrative challenges. It is our privilege to welcome Shri Taranjit Singh Sandhu this evening.

It is our privilege to welcome Shri Taranjit Singh Sandhu as the Chief Guest on this special occasion.

On behalf of the entire Modern School fraternity, I, once again welcome you, sir!

We also welcome the Guest of Honour, Justice Mini Pushkarna, Judge of the Delhi High Court, who is a distinguished member of the Indian judiciary whose career reflects excellence, dedication, and an unwavering commitment to the cause of justice. A graduate of Hindu College and the Campus Law Centre, University of Delhi, Justice Mini Pushkarna went on to build an illustrious legal career spanning more than twenty-five years at the Bar. During this time, she served as Standing Counsel for several prominent public institutions, including the Delhi Urban Shelter Improvement Board, while representing various departments of the Government of Delhi. Her extensive practice covered diverse areas of law, ranging from constitutional and service matters to arbitration, contracts and civil litigation. Throughout her distinguished legal journey, she earned a reputation for professional excellence, legal acumen and an unwavering dedication to public service. Her association with the Delhi International Arbitration Centre and her contributions to legal aid and legal reporting further reflect the depth and breadth of her engagement with the justice system. Today, as a Judge of the Delhi High Court, Justice Mini Pushkarna continues to uphold the highest traditions of the Indian judiciary with wisdom, fairness and a profound sense of responsibility. Her remarkable journey serves as an inspiration to young minds, reminding us that perseverance and integrity are the cornerstones of meaningful service to society. On behalf of the entire Modern Fraternity, I once again welcome you, Ma'am!

Ladies and Gentlemen, Modern School, Barakhamba Road has grown in leaps and bounds under the able mentorship of its past Presidents — Lala Pratap Singh, Maj. Gen. Virendra Singh, and Ms Ketaki Sood — whose vision laid the foundation of the School's enduring legacy, a legacy carried forward with distinction by Mr Ashok Pratap Singh and Madam Anuradha Singh. The School continues to steer to greater heights under the dynamic leadership of Ms Mira Pradeep Singh, President, Board of Trustees, Modern Schools. Her faith in us, along with the guidance of Ms Ambika Pant, Secretary, Board of Trustees, Modern School; and the Chairman, Justice Mukul Mudgal, and Members of the Board of Trustees, the School Managing Committee motivates us to continue to strive harder and better ourselves, to achieve greater heights in all spheres.

1. INITIATIVES

A) ACADEMIC INITIATIVES

Embedding Interdisciplinary Thinking in Education

Driven by the Principal's vision for interdisciplinary and research-oriented learning, the School continues to foster a progressive academic culture that nurtures scientific inquiry, creativity, critical thinking, and collaborative problem-solving. From *Oppenheimer: An Interdisciplinary Project on Invention vs Destruction*, to YaRI and the Chambal Project, interdisciplinary learning has become integral to the School's academic fabric.

In the Academic Session 2026–2027, *War and Peace* was chosen as the School's Interdisciplinary Project in response to the growing socio-political conflicts and humanitarian crises across the world. The project enables students to examine the social, economic, political, environmental, ethical, and humanitarian dimensions of conflict, while fostering a deeper understanding of peace and coexistence.

Furthering the vision of Ms Ambika Pant, Secretary, Board of Trustees, Modern Schools, the Yamuna River Initiative (YaRI) entered Phase 2.0, aligned with the Government's *Jal Shakti Abhiyan: Catch the Rain* campaign. Extending experiential learning into academic inquiry and action, the initiative engages students in understanding water stewardship and the imperatives of conservation.

Together, these initiatives reflect the School's sustained commitment to interdisciplinary learning as a means of nurturing inquiring, creative, critically aware, and socially and environmentally conscious learners.

B) FROM APPREHENSION TO AFFINITY - MATHEMATICS SUPPORT SESSIONS

Structured Mathematics support sessions are being conducted across classes to address learning gaps, reinforce foundational skills and ease the apprehension that the subject can often evoke. Designed to build confidence alongside conceptual clarity, the sessions seek to transform Mathematics from a source of anxiety into a discipline approached with curiosity, confidence and engagement.

C) THE ARCHITECTURE OF THINKING IN THE AGE OF AI

Recognising the transformative influence of Artificial Intelligence on education, the School is introducing **Computational Thinking** and **Prompt Engineering** as key pedagogical initiatives for twenty-first-century learning.

Computational Thinking cultivates a structured approach to problem-solving through decomposition, pattern recognition, abstraction and algorithmic reasoning, enabling learners to navigate complexity with greater clarity and precision. Prompt Engineering, meanwhile, equips

teachers and students to engage with AI thoughtfully and responsibly—moving beyond the mere use of technology to understanding how to frame questions, refine responses and reason with intelligence.

Together, these initiatives seek to cultivate not merely technological fluency, but the deeper habits of **logical, creative and purposeful thinking** essential to learning in an age increasingly shaped by Artificial Intelligence.

D) LEARNING LEADERSHIP FROM LEGENDS

Learning Leadership from Legends is an ongoing series that brings students into direct conversation with distinguished alumni and eminent leaders whose journeys continue to inspire generations. On 11 May 2026, students attended a master class with eminent alumnus Mr Amitabh Kant, G20 Sherpa and former CEO, NITI Aayog, who shared insights into leadership, nation-building, AI, innovation and India's emergence on the global stage. On 22 July 2026, distinguished alumnus Dr Sunil Mittal, CEO, Cosmos Institute of Mental Health and Behavioural Sciences, engaged with students on *Mental Well-being and Students' Safety in School*. Continuing this engagement with the School's alumni, Mr Aman Tandon, alumnus and owner of Wenger's, introduced students to the world of *Culinary* Art on 24 July 2026.

E) CLASSROOMS BEYOND WALLS: ART INTEGRATION

The School continues to weave art into the learning of core subjects, making education more experiential, connected and alive to the world beyond the classroom. This interdisciplinary approach not only deepens students' appreciation of India's rich artistic and cultural heritage, but also broadens their ways of thinking, enabling them to perceive connections across disciplines and real-life contexts.

i) Celebrating the Spirit of Delhi's River – Yamuna Through Art

Under the guidance of Ms Ambika Pant, Secretary, Board of Trustees, Modern Schools, the Modern Institute for Education (MIE) launched the Yamuna River Initiative (YaRI) Project. The initiative aims to foster environmental awareness and interdisciplinary learning among students.

It was embraced and nurtured under the guidance of the Principal at Modern Barakhamba, who took keen interest to ensure that the ethos of the project was embedded in the curriculum, to foster learning beyond the syllabus.

As an integral dimension of YaRI 2.0 (Yamuna River Initiative), the Yamuna's ecological realities, historical associations and cultural significance have inspired artistic explorations across departments at Modern Barakhamba. This engagement found expression at the 7th Nadi Utsav, held at the Indira Gandhi National Centre for the Arts (IGNCA), New Delhi, from 24 to 26 September 2026, where the School presented installations that brought the river's story to life through art, research and environmental awareness.

Students across disciplines interpret the Yamuna through their respective creative practices. Painting captures its changing landscapes and cultural narratives, while the Graphics Club translates its history and environmental concerns into compelling visual representations. Photography documents the river's natural and cultural heritage alongside the visible impact of pollution. Fashion Studies explores its fluid forms, colours and textures through design, while crafts and sculpture offer material expressions of its ecological significance, symbolism and changing relationship with the city.

Through these interdisciplinary explorations, students connect artistic expression with environmental inquiry and cultural understanding. YaRI 2.0 thus extends learning beyond the classroom, encouraging students to communicate their understanding to wider audiences and fostering a deeper sense of responsibility towards the Yamuna—as an ecological lifeline, a cultural inheritance and an integral part of Delhi's living heritage.

ii) Inter-House Culinary Competition offered a vibrant expression of this philosophy. What began as a culinary exercise unfolded into an exploration of India's crops and spices through Botany and Social Science; preservatives and pesticides through Chemistry; oil extraction from plants through Science; traditional food practices through Geography; and the production and sale of food products through Economics. The kitchen thus became a classroom in its own right, demonstrating how knowledge converges in the most everyday of human activities.

Recognising cooking as an essential life skill, the School encourages both boys and girls to acquire basic culinary skills, fostering self-reliance and practical competence alongside academic learning.

F) THE MATHEMATICS OF SUNLIGHT AND SHADOW: THE SUNDIAL

The construction of a **vertical declining sundial** transformed abstract mathematical principles into a tangible exploration of time and the movement of the Sun. Drawing upon geometry, angles, measurement and trigonometry, students translated mathematical precision into the design and construction of a working real-world instrument.

The project invited students to look beyond the textbook and discover Mathematics in the world around them, while sharpening their problem-solving, analytical and spatial-reasoning skills. In doing so, it positioned Mathematics not merely as a subject to be mastered, but as a language through which the world can be observed, interpreted and understood.

G) NURTURING THE WHOLE CHILD: A CULTURE OF CARE

Mental Health and Well-being: The well-being of students remains a priority for the Principal, who recognises that academic growth cannot be divorced from emotional well-being and a secure sense of self. Mental health sessions have, therefore, become an integral part of the School's academic calendar, with regular sessions conducted across classes. Recognising that every teacher is, in many ways, also a counsellor, the School conducts regular workshops to equip teachers to identify early signs of emotional or mental-health concerns and respond with sensitivity, empathy and appropriate support. The endeavour is to create a school environment where seeking help is understood not as a sign of vulnerability, but as an important step towards well-being.

H) A SPACE TO SENSE, EXPLORE AND GROW

A dedicated **Special Education Zone** has been developed near the School Amphitheatre to provide students with Special Education Needs a supportive space to develop and strengthen their **sensory and motor**

skills. Designed to facilitate focused, purposeful engagement, the space reflects the School's commitment to creating learning environments that recognise and respond to the diverse needs of every learner.

I) FROM EXPERIENTIAL LEARNING TO KAUSHAL BODH

The School's longstanding emphasis on **experiential and skill-based learning** finds a natural extension in **Kaushal Bodh**, the initiative introduced by CBSE. Resonating with the School's own educational philosophy, the initiative reinforces the belief that meaningful learning extends beyond the acquisition of knowledge to its application in real-life contexts, fostering practical competence, independence and purposeful engagement.

Beginning the **ensuing academic session,** *Kaushal Bodh* was formally implemented in the **Middle Wing** and *Kaushal Vikas* in the **Secondary Wing,** further strengthening the School's commitment to learning through experience, application and action.

J) KNOWING THE WORLD AROUND US' DAY-TRIPS:

Drawing from the Principal's rich insights gained as a member of the National Science and Technology Committee of the N.C.E.R.T., as well as his work with the Curricular Area Groups for syllabus development, the School continues to organize 'Knowing The World Around Us' Day-trips. These excursions are a deliberate extension of classroom learning, allowing students to observe and connect real-world phenomena with academic concepts. Students are encouraged to bridge theory with practice, enriching their educational journey with real-world relevance. As part of the "Knowing the World Around Us" series, students of Classes 6 to 8 went on an experiential learning trip to Amrit Udyan at the Rashtrapati Bhawan, appreciating the seamless integration of nature and architecture. Students of Classes 7 to 9 were taken to Sunder Nursery on 9 February 2026, to see the Aranyani Pavilion, a monumental, spiralshaped walkthrough installation designed for pause and reflection.

K) PARENT OUTREACH & COMMUNICATION

The Principal has earmarked an hour each morning for an Open House to enable parents to meet him and discuss matters pertaining to the academic progress and well-being of the students

L) BHARAT SCOUTS AND GUIDES

The School has recently enrolled as a **Member-School of the Bharat Scouts and Guides**, enabling its students to participate in the **National Youth Adventure Programmes 2026–2027** and extending opportunities for experiential learning, adventure and the development of leadership, resilience and self-reliance.

M) TECHNOLOGY-ENABLED COMMUNICATION

Keeping pace with the evolving digital landscape of the twenty-first century, the School has strengthened its professional and social media presence as an extension of its communication and outreach. **Thoughtfully curated video highlights** of school events, celebrations and significant milestones are regularly shared through the **School's Instagram page** and **YouTube channel**, offering the wider community a dynamic window into the life, achievements and ethos of Modern Barakhamba.

N) ENRICHING INFRASTRUCTURE, ENABLING LEARNING

- The **renovation of the Swimming Pool** was successfully completed, along with the adjoining spectator seating area and washroom facilities, further enhancing the School's sporting infrastructure and providing a more functional and welcoming environment for students and spectators.
- In keeping with the School's emphasis on **experiential and activity-based learning**, the Mathematics Labs of the Middle and Secondary Wings have been upgraded to make the learning of Mathematics more exploratory and application-oriented. **Four hypothesis-based learning kits** have been procured, enabling students to explore, investigate, research, validate and verify mathematical concepts and theorems through hands-on engagement. The initiative seeks to move Mathematics beyond the confines of the textbook, allowing students to discover mathematical ideas through inquiry, experimentation and evidence.

O) YAMUNA RIVER INITIATIVE(YARI)-2.0 INTERDISCIPLINARY LEARNING AND ENVIRONMENT STEWARDSHIP

- YaRI 2.0, the second phase of the Yamuna River Initiative, builds upon the initiative established in October 2020 by the Modern Institute for Education (MIE), the research and training unit of The Modern School Society. Following the first YaRI Exhibition in 2025, the initiative was further embedded in the academic life of Modern School, Barakhamba Road through research, field visits, and sustained engagement with the conservation and restoration of the Yamuna.
- As part of the YaRI 2.0 Initiative, fourteen students, escorted by Teachers In-charge, joined the Cleanliness Drive' at Yamuna Ghat near Geeta Colony Crematorium on 14 June 2026, and participated in an initiative to clean the riverbank by collecting plastic waste and other non-biodegradable materials. The programme was graced by the Chief Minister of Delhi, Ms Rekha Gupta.

- **Rain Week — 13–18 July 2026 :** Under the theme "Catch the Rain – Where it Falls, when it Falls," the School observed Rain Week through a rich array of experiential and interdisciplinary activities, including rain-gauge observations, visits to rainwater-harvesting pits, quizzes, Eco Talks, poetry, debates, JAM, Fact or Bluff, the Book Nook Talk and the Reflection Wall. The week culminated in sapling plantation and a Rain Week Exhibition on 18 July at M.N. Kapur Hall, held alongside the Parent-Teacher Meeting and inaugurated by Mr Krishna Kumar Gaur, Head of Institutional Relations, DRIIV (Delhi Research Implementation and Innovation), and Ms Ambika Pant, Secretary, Board of Trustees, Modern Schools. The exhibition showcased students' research projects, rain journals, comic strips, poetry, models, presentations and interactive displays, transforming the theme of water conservation into informed and imaginative student expression.
- **YaRI Art Installation — 15 August 2026 :** An art installation inspired by YaRI 2.0 was presented during the School's Independence Day celebrations, extending the initiative into the cultural life of the School and reinforcing the connection between environmental awareness and creative expression.
- **7th Nadi Utsav — 24–26 September 2026 :** YaRI 2.0 reached a significant public platform with Modern Barakhamba's participation in the 7th Nadi Utsav, inaugurated by the Lieutenant Governor, Delhi, Sardar Taranjeet Singh, at the IGNCA Janpath Building, New Delhi, under the theme "The Eternal Yamuna: Chronicles of Conflict, Biotic Healing, and the Socio-Cultural Hearth." Modern Barakhamba participated in the exhibition, under the aegis of Modern Institute for Education. The school put up installations, research, maps, artwork, music and narratives exploring the Yamuna's history, biodiversity, pollution, restoration, floodplains and enduring socio-cultural significance. Their work was also presented to media platforms, including NewsX, providing students an opportunity to represent Modern School and articulate their learning on a wider public forum.

  YaRi At Anand-O-Utsav-15 October 2026- Students of the School presented the exhibits at the YaRi exhibition that was a part of the Annual Inter School Youth Festival at Suraj Bhan DAV Public School, to promote river literacy, water conservation and awareness about Yamuna.
- YaRI 2.0 has thus evolved beyond an environmental initiative into a sustained programme of inquiry, experiential learning and civic engagement, enabling students to move from understanding the Yamuna as a subject of study to recognising their own role in its stewardship and conservation.

P) EXPANDING HORIZONS: OUTREACH INITIATIVES – ACADEMICS

Regular visits to premier institutions such as IIT Delhi, Hindu College, and other centres of higher learning, reinforce the school's vision of learning beyond the classroom.

- On **29 November 2025**, students of **Class 11** attended the 8th Sci-Tech Spins Lecture-2025 at Indian Institute of Technology, Delhi, where **Prof Naveen Garg and Prof Usha Hasteer** of the Department of Computer Science and Engineering delivered a lecture on *Matching Games*, introducing students to matching and matchmaking algorithms and their applications in achieving optimal and fair pairings.
- On **4 December 2025**, students of **Class 9** attended the workshop *Mathematics Comes Alive* at **Hindu College, University of Delhi**, which offered an engaging exploration of Mathematics beyond the conventional classroom, encouraging curiosity, confidence and a more exploratory approach to the subject.
- From **3 to 5 December 2025, Mishika Sahu and Rhythma Rewal of Class 11** attended Phase III of the *Manasvi STEM Mentorship Programme for High School Girls* at **Indian Institute of Technology, Delhi**. The programme provided experiential exposure to STEM through hands-on demonstrations, collaborative problem-solving, biological laboratory techniques and an exploration of electromagnetism and its applications in contemporary technology.
- From **12 to 14 December 2025, seventy-five students of Class 8** undertook an educational expedition to **Jaipur and Sambhar Lake**, exploring the region's culture, traditions and rural life, along with its flora and fauna, including migratory flamingos. A visit to a rural school serving underprivileged children offered students valuable insights into rural education, agriculture, dairy farming and community life.
- On **20 December 2025**, students of **Class 11** attended the *Sci-Tech Spins Lecture Series* at **Indian Institute of Technology, Delhi**, where the lecture *Super Strong Materials that Fly* explored the working of jet engines and the properties of nickel super-alloys through a live experiment, deepening students' understanding of aircraft engine technology and advanced materials.
- On **12 January 2026**, students of **Class 12** attended the **National Youth Day programme** at **Indian Institute of Technology, Delhi**. Interactive sessions with IIT student-mentors explored academic pathways, student life and research-oriented learning, while **Prof H.C. Verma** connected fundamental principles of Physics with everyday phenomena, reinforcing the value of curiosity over rote learning.
- On **12 February 2026**, forty-seven students attended the **Bharat Bodhan AI Conclave 2026 at Bharat Mandapam, New Delhi**, organised by the **Ministry of Education and CBSE**. The conclave introduced students to emerging AI technologies, innovative research and the evolving role of Artificial Intelligence in education. **Siddharth Jaiswal (Class 11) and Deishna Kapila (Class 8)** subsequently

shared their insights on AI's potential to transform education and future career opportunities during an interaction with Ministry of Education and CBSE officials.

- From **16 to 20 February 2026, Dr Vijay Datta, Principal**, chaperoned a group of students to the **AI Impact Summit 2026** at **Bharat Mandapam, New Delhi**, organised by the **Ministry of Electronics and Information Technology, Government of India, under the India AI Mission**. The summit exposed students to emerging applications of AI in healthcare, fraud detection, smart governance, climate monitoring and education, broadening their understanding of how AI can contribute to a more inclusive, efficient and sustainable future.
- On **18 April 2026,** Class 12 students visited IIT Delhi for the **Sci-Tech Spins Lecture Series** on "Light, Laser and Lifesavers: Building Sensors that See the Invisible." The session was conducted by Prof. Soumik Siddhanta, Associate Professor in the Department of Chemistry, who introduced students to the fascinating applications of light, lasers and Raman spectroscopy.
- On **10 July 2026,** students from Classes 11 and 12 Road, visited Amrita Hospital and Medical College, Faridabad for an educational visit.
- On **29 July 2026,** Commerce students of Classes 11 and 12 attended a Seminar on Economics conducted by eminent professors from **Shri Ram College of Commerce (SRCC),** University of Delhi, at Modern School, Vasant Vihar.
- On **18 August 2026**, students of Class 12 visited **Institute of Hotel Management (IHM),** Pusa, New Delhi, accompanied by the school faculty, where they observed admission process, career opportunities and student life at IHM, followed by an interactive mocktail making session, chocolate making demonstration.
- Students attended a World Mosquito Day programme at Hindu College on 20 August 2026 that educated them on mosquitoes and mosquito-borne diseases.
- On 22 September 2026, Modern Barakhamba **hosted** an interactive **Physics session** by renowned physicist and educator Prof. **H.C. Verma.** The session was graced by Ms Ambika Pant, Secretary, Board of Trustees, Modern Schools, Dr Vijay Datta, Principal, Modern School, Barakhamba Road, and Ms Vibha Khosla, Principal, Modern School, Vasant Vihar. Students of Classes 10, 11 and 12 from Modern School, Vasant Vihar also attended the session.
- On **24 September 2026,** students from Science, Geography and Economics visited the I**ndian Agricultural Research Institute** for an educational exposure.
- On **26 September 2026,** students attended the I**IT Sci-Tech Spins lecture,** "*Academics in an Era of AI*," at IIT Delhi, delivered by Prof. Kavya Dashora from the Centre for Rural Development and Technology.
- On **28 September 2026,** Class 12 students visited **The Hindu College** for an experiential learning programme conducted by the Departments of Zoology and Botany.
- Students of Class 12 attended the **seminar on World Bank** and its Role in Global Economic Development at Modern School, Vasant Vihar, **on 6 October 2026.**
- On **September 26, 2026,** five students of Modern School, Barakhamba Road—Gurseerat Kaur Khanna, Amaira Jain, Aryaveer Singh, Moksha Dhian Kochhar and Vyan Aggarwal acted as anchors for the Shikshak Samman Samaroh 2026 at Vigyan Bhavan, New Delhi, graced by Shri Ashish Sood, Hon'ble Minister of Education, Government of NCT of Delhi. Two other students, Vrinda Gupta and Vivaan Tuli, represented the school as panelists in a student discussion on contemporary educational concerns.
- The Samaroh brought together Principals and educational leaders from over 100 schools to recognise their contributions to education.

Q) OUTREACH PROGRAMMES – SPORTS

a) Accompanied by the Principal, a group of students were taken to

witness a cricket match between Hon'ble Members of Parliament and Officers of Delhi Police, organized by the Constitution Club of India on 15 March 2026 at Major Dhyanchand National Stadium, India Gate, New Delhi. This sports event was a goodwill initiative to promote sportsmanship and constructive engagement between public representatives and law enforcement agencies.

C) PRINCIPAL'S STAFF ORIENTATION SESSION: LEADING WITH A VISION

On 4 July 2026, Dr Vijay Datta, Principal, conducted the Beginning-of-Term Orientation Session, reviewing the CBSE Class 10 and 12 Board Examination results and outlining strategies to raise academic standards further. Emphasising that no student should be left behind, he urged teachers to provide focused and personalised support while continuing to pursue excellence through discipline, innovation, reflective practice and professional growth.

Dr Datta reiterated the teacher's role as mentor and counsellor, emphasising sensitivity to students' emotional and mental well-being, early recognition of distress and timely intervention. He also highlighted the changing landscape of education in the age of Artificial Intelligence, urging teachers to focus on how to teach rather than merely what to teach, and to incorporate Computational Thinking and Prompt Engineering as key pedagogical initiatives. He stressed that adaptability, emotional intelligence, professionalism and lifelong learning remain essential to effective teaching.

11. A CAMPUS FILLED WITH VIBRANCE: LEARNING, CREATIVITY, AND SPORTING EXCELLENCE

Modern School, Barakhamba Road, is a hive of continual learning and exploration, living up to the ethos that **"Modern Never Sleeps."**

The School consistently provides opportunities which promote happiness, confidence & holistic development of students. Keeping this vision in mind, Academic Enrichment Activities, Creative Wing Activities, numerous athletic events, were conducted for the students of Classes 6 to 9 & 11 from 12 to 28 March 2026 (post Annual Examination). Students keenly participated in academic enrichment activities and explored concepts through interactive sessions & discussion, creatively-crafted assignment, and hand-on learning experiences, which helped them strengthening their understanding while learning in an engaging & enjoyable manner. 'Inter-House Athletics Meet' was conducted as a part of preparation for the Annual Sports Day-2026 wherein students enthusiastically participated in several track & field events such as races, relays, long-jump, shot put etc.

It was truly another summer to remember. From **creative workshops and academic enrichment to global challenges and high-profile tournaments**, the summer of 2026 infused **boundless energy, curiosity, and achievement** into the campus. Students experienced growth across **creativity, intellect, athleticism, leadership, and collaboration**, making this season a shining testament to Modern School's **holistic vision, experiential learning ethos, and relentless pursuit of excellence**. Truly, at Modern School, **learning, creativity, and excellence never rest**.

A. Creative and Intellectual Endeavours - The Creative Skills Workshop (18–29 May 2026) brought students into an immersive world of Ceramics & Sculpture, Fashion & Jewellery, Fine Arts, Graphics & Print-Making, Photography, and Robotics & Artificial Intelligence, culminating in a vibrant exhibition that showcased ingenuity and hands-on creativity.

- **MUN Society Training Session –** Conducted online via MS Teams on 16–17 May 2025 for 35 students from Classes 9–11. Senior student-members trained delegates in international affairs, diplomatic protocols, and public speaking.
- **MODMUN Intra 2025 –** Organized on 19–20 May 2025, the conference featured a Crisis Committee on Yemen, engaging 50 students from Classes 9–11 in debates, negotiations, and crisis management exercises.

B. Summer Sports Workshop 2025: Training Champions for the Future - The **Summer Sports Workshop conducted from** 18 May 2026 to 29 May 2026, transformed the campus into a **vibrant arena of athletic learning**, bringing together over **1000 enthusiastic students**. The Equestrian and Swimming commenced with other games and continued until 12 June 2026. Under the guidance of **expert coaches**, the participants honed their skills across **Badminton, Basketball, Cricket, Chess, Equestrian, Football, Gymnastics, Hockey, Swimming, Tennis, Table Tennis, and Yoga**, while embracing **discipline, teamwork, and sportsmanship** in a truly immersive sporting experience. Beyond technical skills, the sessions emphasized **fitness, discipline, sportsmanship, self-esteem, and team unity**, laying a strong foundation for **future sporting excellence**.

Focused Practice Camps ensured teams were **competition-ready for IPSC tournaments,** with Cricket, Chess, Football, and Hockey squads undergoing intensive training, enhancing **skills, strategy, and team cohesion**.

C. SIGNATURE TOURNAMENTS ON CAMPUS

- The **48th Lala Raghubir Singh Hot Weather Cricket Tournament, 2025**, transformed the campus into a **vibrant sporting arena from 27th** May 2026 to 3 June 2026, with **twelve city teams** showcasing skill, determination, and spirit to win this coveted trophy.
- The **8th Pradeep Virendra Singh Memorial Delhi State Badminton Championship, 2026**, enlivened the School from 17 to 27 May 2026, hosting **over 1,150 players** across multiple age categories and turning the campus into a hub of **talent, energy, and athletic brilliance**.
- This vibrant tapestry of activities stands as a testament to the School's unwavering commitment to **experiential learning and all-round development,** truly embodying the ethos that **at Modern, "learning, creativity, and excellence never rest."**

C) WELLNESS DEPARTMENT

The Wellness Department continues to strengthen the School's focus on students' emotional well-being, mental health, personal safety and positive peer relationships through sensitisation, counselling and mindfulness initiatives.

CLASS SENSITISATION SESSIONS

In July and August 2025, sensitisation sessions for Classes 6 to 8, conducted jointly by the Special Educator and Counsellor, focused on learning differences, inclusion, empathy, bullying prevention and positive peer interactions. The interactive sessions encouraged students to discuss concerns and contribute to a safe and supportive environment.

BULLYING AND POCSO AWARENESS

On 10 and 11 December 2025, School Counsellors conducted sessions for Class 9 on bullying and the POCSO Act, 2012. Students were sensitised to different forms of bullying, personal boundaries, safe and unsafe touch, reporting mechanisms and the importance of empathy and peer support.

A further orientation, 'No Bullying, Creating Safe Spaces for Everyone', was conducted for Classes 6 to 8 on 22 January 2026. Through age-appropriate examples and discussion, students explored the causes and impact of bullying, including cyberbullying, and learnt strategies for seeking help, managing emotions and supporting peers.

On 29 January 2026, Class Teachers conducted POCSO awareness sessions for Classes 6 to 8, using audio-visual material prepared by the School Counsellor. The sessions familiarised students with child-protection provisions, personal safety, boundaries and the importance of reporting unsafe behaviour.

MENTAL HEALTH AND MINDFULNESS

The first Mental Health Session, on 'Childhood Depression', was held on 20 December 2025 for teachers and parents. The session highlighted the importance of recognising and supporting students' emotional and mental well-being, followed by an interactive discussion led by the School Counsellors.

Mindfulness sessions for Classes 6 to 8, held on 2 and 3 February 2026 as part of Life Skills classes, introduced Jacobson's Progressive Muscle Relaxation (JPMR) to help students manage examination-related stress, improve concentration and develop healthy coping strategies.

A two-day **mindfulness meditation workshop** for boarders of Classes 6 to 12 was conducted on 23 and 24 April 2026 by Mr. Kulwant Singh, Founder, SoulErgy. Similar sessions during Middle and Senior Wing morning assemblies reinforced self-awareness, emotional resilience and stress management.

ANTI-BULLYING PROGRAMME

As part of the School's comprehensive Anti-Bullying Awareness Programme, teachers were trained by the School Counsellors and conducted classroom sessions on 7 May 2026. Dr Vijay Datta further reinforced the initiative through interactive sessions with teachers on 4 July and students on 3 and 8 July 2026, strengthening the School's commitment to kindness, respect and responsible behaviour.

DISASTER MANAGEMENT / SAFETY COMMITTEE: PREPAPREDNESS IN ACTION

- **MOCK DRILL AND EMERGENCY PREPAREDNESS**
  A comprehensive mock drill was conducted in the Chemistry Laboratory on 17 December 2025 in the presence of officials from the Delhi Fire Service, Delhi Police, District Disaster Management Authority (DDMA), Ambulance Services and Indraprastha Gas Limited (IGL). Simulating a laboratory fire, the drill tested evacuation, rescue and emergency response procedures, with students and staff experiencing the coordinated roles of different emergency agencies. Injured students and faculty members were evacuated and provided medical attention, while all occupants were safely accounted for at the

designated assembly area. Students also interacted with emergency personnel and were briefed on laboratory safety protocols and emergency helplines, including 1077 and 112.

- **MONTHLY SAFETY REVIEWS**

  Monthly Safety Committee meetings followed by safety walks were conducted from January to August 2026. The entire campus was inspected, Safety Complaint Boxes were reviewed, suggestions addressed and the Comprehensive School Safety Checklist completed, ensuring regular monitoring of safety standards across the School.

  The School implemented a series of preventive measures to safeguard students against heat wave conditions. Outdoor activities were curtailed; assemblies were conducted indoors and a dedicated 'Water Bell' initiative was introduced to promote regular hydration. Awareness programmes, prominently displayed heat-safety advisories, and a buddy system further strengthened the School›s proactive approach towards student health and well-being.

DEPARTMENT OF ENGLISH: VOICES OF EXPRESSION

- The Debating Society organised intensive training sessions for students of Classes 6 to 12 on 23 and 24 April 2026, introducing them to the fundamentals of competitive debating through structured instruction, interactive activities, and practical engagement. Students gained exposure to debating formats, adjudication criteria, argument construction, and public speaking techniques. An Open House Debate and subsequent case-preparation exercises enabled participants to apply their learning, significantly enhancing their confidence, analytical thinking, and communication skills.
- The **Inter-House English Debate Competition – 2026**, conducted from 4 to 6 May 2026 in both Junior (Classes 6-8) and Senior (Classes 9-12) categories, provided a vibrant platform for students from all sixteen Houses to demonstrate their critical thinking, persuasive speaking and intellectual rigour.
- As part of the **Literary Week Celebrations**, the Department organised an **Inter-House English Quiz** on 7 May 2026 for students of Classes 6 to 8. Through thoughtfully designed rounds encompassing literary knowledge, vocabulary, spelling, authors, and poetic devices, the event promoted collaborative learning, intellectual curiosity, and an enduring appreciation for literature and language.
- The **Inter-House Shakespearean Elocution Competition** for Classes 6 to 10 provided students an opportunity to bring Shakespearean characters and monologues to life, showcasing confident delivery, theatrical expression and an appreciation of Shakespeare's language and dramatic craft.

DEPARTMENT OF FASHION STUDIES / J'ADORE CLUB

- Students of Classes 11 and 12 studying Fashion Studies visited Pearl Academy on 15 April 2026 for Portfolio Day, gaining exposure to contemporary practices through graduating students' portfolios in Fashion, Product and Communication Design and Styling. A fashion show further enriched their understanding of creative processes, professional presentation and emerging career pathways.

- On 9 July 2026, the students revisited Pearl Academy for an enrichment programme that offered hands-on exposure to professional design education and industry-standard facilities. A workshop introduced them to fashion styling, colour stories and colour schemes, and explored how palettes are shaped by themes, cultural influences and fashion eras.

15. ANNUAL PRIZE GIVING CEREMONY — CELEBRATING EXCELLENCE AND CREATIVITY

The Annual Prize Giving Ceremony was held on 31 October 2025, with Mr Aditya Gupta, Treasurer, Board of Trustees, Modern Schools, as Chief Guest and Ms Ambika Pant, Secretary, Board of Trustees, Modern Schools, as Special Guest. Awards recognising excellence in academics, sports and co-curricular activities were presented to meritorious students.

The ceremony was followed by Aurea, the Annual Fashion Show presented by J'adore, the School's Fashion Studies Club. Inspired by the theme 'Yamuna', the show translated the river's purity, continuity and harmony into wearable art. Student-designed lehengas, gowns and sarees drew upon the river's fluidity through serene blues, shimmering silvers and earthy tones, combining Indian aesthetics with contemporary design. The presentation reflected the students' technical skill, aesthetic sensibility and ability to transform an environmental theme into an artistic expression.

The dignitaries visited the exhibition, 'Yamuna River Initiative (YaRI) – Chambal, a tributary of the River Yamuna', which showcased interdisciplinary projects and applied learning across classes. Displays from Electronics and Robotics, Fashion and Jewellery Designing, Graphics–Printmaking, Home Science & Interiors, Paper Technology, Painting and Fine Art, Photography, Pottery and Ceramic Designing, and Wood Craft & Sculpture brought together science, creativity, design and environmental consciousness. The work of students and teachers was widely appreciated by the dignitaries and visiting parents.

16. GRADUATION CEREMONY – CLASS OF 2026

The Graduation Ceremony of the students of Class 12 (Batch of 2026) was held on 15 January 2026. The Chief Guest on the occasion was Mr Darshan Singh, Chairman, Board of Governors, Welham Boys' School, Dehradun; while the Special Guest and Guest of Honour were Justice Mukul Mudgal, Member, Board of Trustees & Chairman, School Managing Committee; and Dr Vivek Nangia, President, Modern School Old Students' Association (M.S.O.S.A.) respectively.The School orchestra presented a compelling fusion piece blending Indian classical elements with The Final Countdown, followed by the Graduation Day Signature Tune based on Raag Kirwani, both performances symbolising transition and new beginnings. In his address, Dr Datta congratulated the graduates, celebrating their achievements and urging them to embrace lifelong learning with purpose and resilience. Valedictory reflections by Reet Sahni, Vardhan Aggarwal, and Zara Javed captured the spirit, gratitude, and aspirations of the cohort, while a farewell performance by Krishna and Shiva Puri offered a poignant artistic tribute. The Chief Guest delivered an address encouraging students to move forward with integrity and responsibility. President, M.S.O.S.A. formally welcomed the graduates into the alumni fold, reaffirming the enduring bond with their alma mater. The ceremony's symbolic highlight—the Lighting of the Candle of Knowledge—was led by the Principal, with the flame passed on to Amaara Ahuja and Devasya Aggarwal before the Graduation Oath was administered. The event concluded with a Vote of Thanks by Justice Mudgal. Member, Board of Trustees and Chairman, School Managing Committee.

17. INDEPENDENCE DAY — A CELEBRATION OF FREEDOM AND RESPONSIBILITY

The School celebrated Independence Day on 14 August 2026, with Air Chief Marshal A. P. Singh, PVSM, AVSM, Chief of the Air Staff, as Chief Guest; Mrs Sarita Singh, President, Air Force Families Welfare Association (AFFWA), as Guest of Honour; and Mrs Padma Angmo, wife of Kargil War hero and distinguished alumnus, the late Col Sonam Wangchuk, MVC, as Special Guest. The occasion was also graced by Ms Mira Pradeep Singh, Ms Ambika Pant, Justice Mukul Mudgal, Mr Ajay Verma and other dignitaries.

The dignitaries were cavalcaded to the venue, where the National Flag was hoisted to the National Anthem rendered by the School Choir. Dr Vijay Datta introduced the Chief Guest and other dignitaries to members of the Sportability Inclusive Academy and briefed them on the School's

commitment to inclusive sport. Following the Principal's Independence Day Address, Justice Mukul Mudgal delivered the Chairman's Address.

The highlight of the celebrations was an in-house dance-drama production accompanied by live singing from the School Choir. The School Band, NCC Display and Bagpipers' March added to the ceremonial grandeur. In his address, the Chief Guest commended the spirit of patriotism and the quality of the presentation, acknowledging the efforts of the organising team led by the Principal.

The celebrations also featured an art installation based on YaRI Phase 2.0, 'Catch the Rain', using art to foreground the importance of water conservation, environmental responsibility and sustainable living. By linking the spirit of Independence with the responsibility to safeguard the nation's natural resources, the installation conveyed a simple yet powerful message: every drop of rain is a resource to be valued and conserved.

ANNUAL SPORTS DAY-2026 THE SPIRIT OF SPORT, THE STRENGTH OF TEAM

The Annual Sports Day-2026 of the School was held on 30th March 2026. Mr Ajit Pal Singh, recipient of the Padma Shri Award & Arjuna Award, and Captain of the historic 1975 Hockey World Cup Winning Team, graced the occasion as the Chief Guest. Other distinguished guests of the day were Ms Mira Pradeep Singh, President, Board of Trustees, Modern Schools; Ms Ambika Pant, Secretary, Board of Trustees, Modern Schools; Justice Mukul Mudgal, Member, Board of Trustees and Chairman, School Managing Committee; Mr Ajay Verma, Member, Board of Trustees, Modern Schools and Chairman, Managing Committee, R.S.Junior Modern School; Mr Umang Das, Member, School Managing Committee;

Mr Rishabh Gulati, Member, School Managing Committee; and Dr Vivek Nangia, President, M.S.O.S.A.

The Annual Sports Day celebrated athletic excellence, discipline and team spirit through a series of sporting and cultural displays. A basketball match between Sportability Academy athletes and the School's Girls' Team challenged physical stereotypes and fostered inclusion. The programme featured the NCC-led March Past by the sixteen Houses, oath-taking and torch-lighting ceremonies, and the felicitation of national and international-level players. The Equestrian Club, *Riders on the Storm*, presented riding manoeuvres and tent pegging by Niveransh Reddy, while the Middle Wing showcased aerobics and the School Gymnastics Team performed on the occasion, and it included a magnificent ribbon display by Kairavi Yaduvanshi. The 100-metre finals and Victory Ceremony followed. Chief Guest Mr Ajit Pal Singh inspired students with reflections drawn from his sporting career. Laxmibai and Kalam Houses shared the March Past Trophy, and the event concluded with the National Anthem.
